

COLT COBRA (.38 SPECIAL +P)

PRODUCT FEATURES:

- The Colt Double Action Revolver returns for 2017.
- Robust Stainless-Steel Frame is as comfortable on the range as it is in a holster.
- New LL² (Linear Leaf) Mainspring design ensures consistently smooth trigger pull.
- Enhanced Grip and Trigger Ergonomics create a naturally pointing revolver that is compatible with a maximum range of hand sizes and still allows the use of gloves.
